George is an accounting professional who began his financial career in 1977. He served in Public Accounting, Industry and Education. He served in the Internal Auditor Intern Program at the Clark Equipment Company. While working for the public accounting firm of Deloitte, Haskins, and Sells, he served in the positions of Senior Assistant Auditor and Comprehensive Business Services Consultant. He also worked as an Internal Auditor for the Brunswick Corporation. This included special projects and operational audits both in the United States and in Europe.

George is Professor Emeritus of Accounting and Economics at Oakton Community College where he received the 2003 Hartstein Award for academic excellence and was twice nominated for the Illinois CPA Society educator award. He is often a presenter on the work place environment, ethics, economics, auditing, fraud, and accounting issues.

George provides consulting services to clients throughout the Chicago area.
