### The Top 1%

There is always a lot of wind from politicians to get the top 1% of taxpayers to pay their fair share of taxes. Well according to the IRS they are and have been doing just that. learn what the 1%, 5%, 10% and more are paying in taxes.

## Success

I had an interesting conversation with my eldest son. At times it seems like I have to have the same conversations with my kids over and over again... Son #1 was stating that succeeding in the US today was near impossible...

## Wealth Creation

"Far too many are missing out on the basic building blocks of wealth creation because of lack of knowledge, exposure and opportunity." Ken Zendel, CEO National Association of Investors. There is a formula for wealth creation...
