A Letter from Leif Jensen and Team,

With tax season mostly behind us, take this time to do some better planning for 2022 and beyond. We are here to talk through the various business challenges and successes you maybe having. Always keep us in mind when it comes to supporting, growing, and developing your business from the inside out.

A few blog articles of interest

Bitcoin as an investment

I have written before about Bitcoin and virtual currencies. I am not a fan, but now investors have a new option for gaining exposure to bitcoin. The first U.S.-OK'd bitcoin exchange-traded fund began trading on Oct. 19

Blockchain

Blockchain is a term you will be hearing more and more of if you haven't already. The blockchain is bitcoin's historical ledger of all transactions which is publicly viewable at all times by anyone ...
