Hello Amy,

We hope your year is off to a great start! Keep the momentum going with strategic planning to set you up for a successful year. Revisit the plan each quarter to stay on track or tweak as necessary. Most importantly meet with your accountant to make sure you have covered all the essentials for 2023.

Tips, Information & Articles

Books, books and more books, just no reading...

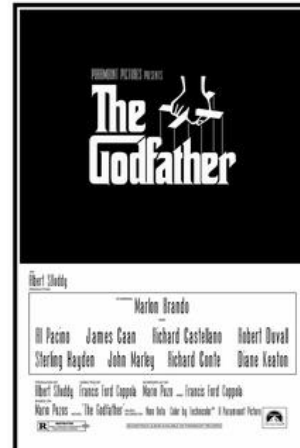

In the most recent data, I could find. From riveting romance novels to the latest political science theories, the U.S. book industry plays a massive role in education, entertainment, and more to the tune of \$25.93 billion in revenue in 2020.
