## Tips & Information

### Wealth Tax - Leif Jensen and Associates

There is a lot of current talk in regards to implementing a "Wealth Tax". A wealth tax (also called a capital tax or equity tax) is a tax on an entity's holdings of assets or an entity's net worth.

Here are some the key pros and cons of implementing a wealth tax:

## Universal Basis Income

Universal Basic Income (UBI) is a policy proposal that involves providing all citizens with a regular, unconditional sum of money, regardless of their employment status or income. The concept has garnered significant debate, with strong arguments both for and against its implementation. For the Pros & Cons read more.
