Tips & Information

Planning for the future of your business

I am reading a biography on the Mars and Hershey companies and their namesakes who ran the businesses. In both cases they were seemingly always looking to the future of their businesses. In contrast, I have a client who is aware of a problem approaching in their not-too-distant future and...

Interesting Tidbits

Another Odd Fact

It is impossible to hum when holding your nose.

Without the nasal passage to vibrate, the humming sound is altered or stopped completely. You might still be able to produce a sound with your vocal cords, but it won't be a true hum.
