Tips & Information

Partner- the downside

Choose your partners wisely. In business, I have seen what I consider to be unethical behavior by others who added partners to their business. Read more to hear the "downside and unethical story".

AI has eliminated the first level of employment

Evidence indicates that Artificial Intelligence is significantly disrupting the labor market by eliminating or automating many entry-level, “first-level” jobs, thereby creating a “hollowed-out” or hourglass-shaped workforce structure and fundamentally transforming the traditional apprenticeship model. Read more on what the experts are urging companies to do going forward.
